Description

This clinic is geared towards beginners, players just starting in a catchers' position or those who may be interested in catching and want to see what it is all about.

You will be introduced to the equipment, how to care for it and proper sizing. Our instructor will teach you correct glove/hand placement.

Proficient catchers are a must for successful teams. Start early and learn the skills the correct way.

A hand out will be provided with different practice drills. Equipment is recommended but not required for this session.
