# Pitching Types & Grips

We also recommend this clinic for  
catchers who are 13 and older.

Description

Want to take your pitching skills to the next level by learning to throw more than a fastball? Then this clinic is for you. The clinic format is designed for those 13 yrs. and older who want to learn different pitch types and how to throw them. Willie will cover different types of fastballs, change-ups, curves, sinkers, sliders, etc., as well as what the required grips are for each.

Have you ever heard of an "Eephus pitch"? If not, find out what it is at this clinic.

As with all of our pitching clinics, make sure to bring your bat and helmet along as there may be some batting time available at the end of the session.
