Pitching Video Analysis & Drills

Description

This clinic is designed for ages 11 and older (including adult baseball players) – Special rates applied to participants coming in as a group of three.

You will be filmed from multiple angles, your wind up, your stance, and your delivery will be analyzed and reviewed with you on our large screen TV. As they say, "seeing is believing", and sometimes it takes just that to understand what your downfalls are. After the viewing you will return to the practice area for further instructional time and given drills to enhance your performance.

*Group discount rate note:
Only one participant is required to be a member and all three participants qualify for the "Members" rate*
