Description

This grouped session of Sunday Morning Camps will run for eight consecutive weeks. They consist of an assortment of different styled skills and techniques. It's run by local high school coaches as well as Concordia University coaches.

Each week the agenda is different, and the instructors rotate to bring you a variety of expertise. Learn drills to help you find the power in your swing; improve your hitting performance; learn footwork or fielding skills and possibly some pitching techniques as well. Bring your gear and be prepared to do it all.

Because each week brings you something new to learn, we know you'll want to come back for more! So we've set up some special price break deals for you to take advantage of. We have a 4 pack session deal as well as the full 8 sessions at a price break.
